SECURITY LIGHT APPLICATION PROPERTY OWNER

Property Owner:

Customer Name:	Account Number:	

Service Address:	Home Phone:	Cell Phone:

Monthly Fee

- | Size | Cost |
|--------------------------------------|----------------------------------|
| <input type="checkbox"/> 100 HPS/LED | <input type="checkbox"/> \$14.40 |
| <input type="checkbox"/> 250 HPS/LED | <input type="checkbox"/> \$21.51 |

- ☐ IS Pole Available for Security Light Installation
- ☐ Pole Installation for Security Light at Owner's Expense (Installation includes pole, light fixture, and labor)
- ☐ \$600.00 Installation Fee

I agree to accept the additional charge for a Security Light installation included on my monthly electric bill. I understand that all utility bills are due by the tenth of the month regardless of whether I receive a bill in the mail, and that a late payment results in a penalty and possible disconnection of service.

If I no longer want the Security Light after an agreement to accept charges, I understand there is a fee charged to disconnect and remove the lighting equipment from the pole.
